Fax: 1-888-698-2020 or 1-888-420-2047

BILLING:

All approved Vision Care Materials purchased under the program will be billed by MassCor directly to the Commonwealth of Massachusetts. Providers will remain responsible for billing the Commonwealth for their professional services. See the MassHealth Provider Manual for the applicable regulations.

LAB ERRORS:

All Lab Errors must be reported online within 21 days of the order’s shipped date using the “Report Lab Error,” link on the MassCor homepage. All lab errors must be returned to MassCor for inspections within 9 days of the reported date.

LENS AVAILABILITY:

Lens material may be ordered in CR39 or Polycarbonate. The lens types available are single vision or bifocal: flat top 28 or round 22mm.

Plastic material; single vision lenses can be made into maximum spheres of +/- 20 diopters. For plastic bifocal add powers range from +.75 to +4.00 diopters in +.25 increments, +3.75 add power is not available. NOTE: Any sphere over +10 diopters may need to be made in lenticular plastic and anything less than -10 diopters may need to be made in Hi-Index material. Hi-Index requires a prior authorization. The maximum combined power for bifocals are +/-10 diopters. The add power range for Hi Index is +1.00 to +3.00 diopters in +.25 increments. Lenticular aspheric is only available in CR39 material and bifocal lens type round seg only.

Polycarbonate material; single vision and bifocal maximum combined power lenses are +/-10 diopters. Cylinder powers available up to +/-5.00 diopters. Bifocals made in polycarbonate material are only available in flat top 28. Bifocal add powers range from +1.00 to +3.00 diopters in +.25 increments.

Please refer to your MassHealth Provider Manual for all items that will require prior authorization.
